SUBJECT: LETTER OF RECOMMENDATION

Ms Charity Colvin has been a web designer for Snell Enterprise, Inc. (SEI) providing web support for the customer's external websites, which included designing, implementing and maintaining web pages using tools such as Dream Weaver and Adobe products. During her tenure at SEI, Ms Colvin was energetic and reliable employee who possesses excellent web development expertise and skills. She provided the customer with solutions that were innovative, but cost effective. I would gladly recommend her for employment by SEI or another organization.
